Section 1: **Notification**	**Delisting by BMR Group Plc** The Company has cancelled the admission of its Common shares to trading on the Alternative Investment Market (AIM), with effect from 3 August 2018. Important Note: As the above stock line has now been delisted from the AIM the shares will no longer fit the requirement necessary for holding within the HSBC investment product. We also need to mention that as a result of Her Majesty's Revenue and Customs (HMRC) ISA rules, your shares are no longer considered ISA eligible as they do not trade on a global HMRC approved exchange. Therefore, we have moved all shares held within your investment ISA (220) to your taxed investment account (200). What do you need to do? You can either arrange to transfer your shares to another broker or into your own name. Any transfer you instruct in relation to this will be carried out free of charge, but, if you still retain your shareholding on 17 September 2018, we will, with reasonable endeavours on this date, re-register and deliver to you a certificate of the unlisted shares in your own name.
